## 1 Create An Account

Visit <https://theimperialstrata.com/register> to sign up for an account. If you already have an account, sign in with it.

## 2 Verify Your Phone Number

Click on the [My Account](#) link at the top, and then click on the [Request Verification](#) button beside your phone number. Follow the instructions to verify your phone number.

## 3 Scan The QR Code

When you want to use the games room, scan the QR code you will see on the door to the lower floor. It will compose a text message in your phone's messaging app that says [Check in](#). Send the message.

## 4 Use Your Code

You will receive a six digit code to use to unlock the door. Enter the code into the lock, and it will unlock. Note that the door will re-lock itself.

Once you have signed up and your phone number is verified, you can scan the QR code at any time.
